The screenshot shows a product customization interface with a modal dialog. The background interface includes a top navigation bar with 'Shop', 'Saved Items', 'Order History', 'Saved Carts', and a cart icon showing '0 Item(s) 0.00'. Below this are three main steps: 1. Select (with radio buttons for Poly Bags, Reclosable Bags, Tubing & Sleeves, Film & Sheeting, and Mailers & Accessories), 2. Choose (with a Category dropdown set to 'Layflat', a Ship To field, and Size fields for W, D, and L, all set to 6), and 3. Add (with tabs for Material & Additives, Color, Printing, Venting, and Packaging). The Printing tab is active, showing options like Standard, Clear, Registered, None, and Cases. Below the tabs are 'Select' and 'Customize' sections. The 'Select' section has a 'Registered' icon and a 'Revert to None' button. The 'Customize' section has 'Image Size (in.)' fields, a 'Random Repeat' section, and a grid of icons. A ruler is visible below the customize section. The modal dialog, titled 'I would like to...', has a close button (X) in the top right. It contains four tabs: 'Upload My Image', 'Upload My Image Later' (which is selected and highlighted in purple), 'Use Text Only', and 'Use a Stock Image'. Below the tabs are two input fields: 'Estimated Width of Image' with a value of 4 in., and 'Estimated Height of Image' with a value of 5 in. A 'CONTINUE' button is located at the bottom right of the modal. At the bottom of the page, there is a 'Find' search bar.

You Should Know ✕

Spacing refers to the distance between repeated images. Random Repeat images are printed in a single color.

- For black film, only white print may be selected.
- For white film, white print may not be selected.
- Spacing choices may be limited to ensure that at least uninterrupted image appears on each item.
