The screenshot displays a design tool interface. At the top, there is a toolbar with buttons: FRONT, BACK, Upload Art, Add Text, Bring to Front, Bring to Back, Center, Eye Dropper, Duplicate, Zoom In, Zoom Out, Undo, Redo, and Trash. The main workspace shows a design for a 'WHOLE WHEAT LOAF'. The design includes the 'atlanta BREAD' logo (with 'atlanta' in script and 'BREAD' in bold sans-serif), the tagline 'Huntsville's neighborhood bakery cafe and business caterer', and an image of a whole wheat loaf. A dashed pink rectangle outlines the 'PRINTABLE AREA'. A registration mark is visible on the left. Two 'Format Image' panels are open. The left panel shows the size set to 2 x 2 inches and includes a color selection section with a dropdown 'Do you know your pantone colors?' and two PMS color swatches (red and green). The right panel also shows the size set to 2 x 2 inches and includes a color selection section with a dropdown 'Do you know your pantone colors?' and a color picker with an 'Eye Dropper' button. A 'Find' button is located at the bottom center.
