Random

- 1 color artwork
- Artwork appears on your bag more than 1 time
- The position of the artwork will vary from bag to bag
- Your most cost effective printing option

Let's Go

Registered

- Multi-color and 1 color artwork printing.
- A spot color is a PMS color. If you need to match particular colors, perhaps your logo color(s), and your budget is limited, spot colors are your best choice.
- CMYK is 4 color process printing that reproduces finished full-color artwork and photographs.
- You determine the size and placement of your artwork.
- Artwork is printed once on your bag in the same location
- An eyespot is a small rectangle that usually gets printed in one corner of the bag. The eyespot helps to assure the accuracy of the bag during manufacturing. Not all bags need eyespots.

------------	-------	---------	----------	-----------

A horizontal toolbar containing 13 icons. The first two icons, 'Random' and 'Registered', are on a dark purple background. The remaining 11 icons are on a light gray background. The icons are: a document with a circular arrow (Random), a document with a registration mark (Registered), a picture icon (Browse), a large 'T' (Add Text), two overlapping squares (Front), two overlapping squares with the top one offset (Back), a target symbol (Center), two overlapping documents (Duplicate), a magnifying glass with a plus sign (Zoom In), a magnifying glass with a minus sign (Zoom Out), a curved arrow pointing left (Undo), a curved arrow pointing right (Redo), and a trash can (Trash).

The screenshot displays a design tool interface for creating a plastic bag layout. The main workspace shows a light blue background with a dashed pink border indicating the 'PRINTABLE AREA'. At the top center, there is a logo for 'the YIMCA' featuring a stylized orange and green 'Y' shape. Below the logo, the text 'Workout Gear' is visible. A warning label is positioned in the lower-left quadrant of the bag layout. The label has a black border and contains the following text:

WARNING: To avoid danger of suffocation, keep this plastic bag away from babies and children. Do not use this bag in cribs, beds, carriages or playpens. This bag is not a toy.

ADVERTENCIA: Para evitar el riesgo de asfixia, mantenga esta bolsa plástica fuera del alcance de bebés y niños. No utilice esta bolsa en cunas, camas, coches o corrales. Esta bolsa no es un juguete.

AVERTISSEMENT : Pour éviter tout risque d'étouffement, gardez ce sac en plastique à partir des bébés et des enfants. Ne pas utiliser ce sac dans des berceaux, des lits, des voitures ou des parcs. Ce sac n'est pas un jouet.

Below the warning label, there is a small black rectangle labeled 'EYESPOT' in a blue box. A 'Format Image' panel is open on the right side of the workspace, showing options to adjust the size of the selected image. The panel includes a 'Size' field with input boxes for '5' and '2' inches, a dropdown menu, and two buttons: a circular arrow for 'Reset' and a checkmark for 'Apply'.

The screenshot displays a design tool interface for creating a worksheet. The main canvas shows a layout for 'the YIMCA Workout Gear'. At the top center is the logo, which consists of the word 'the' in orange, a stylized orange and green 'Y' shape, and 'YIMCA' in green below it. Below the logo is the text 'Workout Gear' in a large, bold, green font. Underneath this is a rectangular text box with a green border containing three lines of warning text in English, Spanish, and French. To the left of this text box is a small black rectangle labeled 'EYESPOT'. At the bottom left of the layout is a pink rectangular label that says 'PRINTABLE AREA'. A 'Format Image' dialog box is open on the right side of the canvas. It has a title 'Format Image' and a 'Size' field showing '5' x '2' in, with a green dropdown arrow to the right. Below the size field are two buttons: one with a circular arrow icon for rotation and one with a checkmark icon for confirmation. The background of the design tool is a light gray grid.
