Tell us about your art

Is it ...

1) A photo .... or image ....  
... with lots of colors and shades

2) An image with one or  
more solid colors

**Red Robin**

3) An image that combines lots of  
colors and shades with solid colors

### Step 2:

Is your artwork a **photograph** and/or does it contain **color gradients**? (Select image below that best illustrates your artwork)

#### Photograph

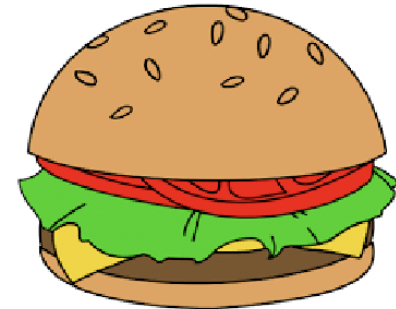

Artwork contains thousands of photo realistic colors.

#### Gradients

Artwork contains color gradients.

**Example:** Multiple colors of varying hues.

#### Solid Color Line Art

Artwork contains solid colors with no hue variations.

## Image Quality

 [Preview image](#)

Fabulous! One last question.

### Step 3:

Does your artwork contain **anti-aliasing** (pixelated edges)?  
(This is commonly found in .bmp, .gif, .jpg, .png images)

#### **Crisp, Clean Edges**

Artwork contains clean edges even when zoomed.

#### **Anti-Aliasing**

Artwork contains anti-aliasing (jagged, pixelated edges) when zoomed in.
